## *Meetings for 2022*

August 9, at the Village Hall in Dansville our program will be the history of the Dansville Post Office and its postmasters. Some very interesting history will be shared.

September 13, the program will be the history of the former Clickner Hardware Building that is on the corner of Jackson and Mason Streets.

Our meetings begin at 7:00 pm.

### ***Society's Library/Collections***

Connie Stewart, the Society's librarian and her committee have continued to work in our new space. They have been cataloguing and documenting the collection. The Board will plan the display of the many items that have been donated.

### ***Building Fund***

The Board has been working diligently to get our museum room ready to open. Ceiling tiles have been replaced and walls have been repainted. We have display cases ready to be filled. We are anxious to share Dansville's history.

Thank you for the many donations to the Building Fund to get our museum up and running. It is not too late if you would like to add your donation to this fund.

***Dansville Michigan Historical Society*** is looking forward to seeing you at our meetings.
